Hello

Write your
name here.

It's nice to meet you.

My name is Paddington and I now live in London, near to Paddington Station, which is where I first met the Brown family. I've had quite a few adventures since then. I'd like to share these with you, so I have drawn and written about some of them for you to discover.

Love from,

Paddington

Where do I come from?

I'm from Peru. You can see it on this map.

When you find Peru,
circle it with a pen or
pencil.

Hint: Follow
Paddington's pawprints

Start here!

Meet my family

Complete the pictures of the Browns by colouring it in. You can use the framed photo to help.

I now live in London with the Brown family. They're very nice and I feel that this is now my home. You can see me here with the Browns.

I like painting and visiting different places with **Mrs Brown!**

Mr Brown is very busy but always finds time to share a marmalade sandwich with me.

Everyone should have a **Mrs Bird**. She gives very good hugs.

Pigeonton, one of my new friends.

Meet **Judy**. She's very brave and clever.

Jonathan and I have a lot of fun together.

My attic room

I like to keep my room neat and tidy, but can you see a few of my favourite things?

Tick them off
and circle
them below.

☐ A photo of my Aunt Lucy

☐ My suitcase

☐ A marmalade jar

☐ Nessie, my bed toy

☐ A book on magic

☐ A globe

How many things did you find?

Where's Pigeonton?

I think Pigeonton might be lost, so I've left a few crumbs from my marmalade sandwich to help him find his way.

Follow the breadcrumbs to get Pigeonton to Paddington, but watch out for road works & one-way streets!

Getting ready for an adventure

Before any adventure, I always make sure I have my red hat, blue duffle coat and suitcase, which will have quite a few marmalade sandwiches in it (and an extra one under my hat in case of emergencies).

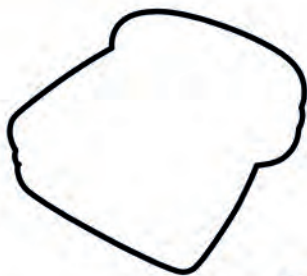

Make sure
Paddington is ready
for all his adventures!
Join the dots to
complete his outfit.

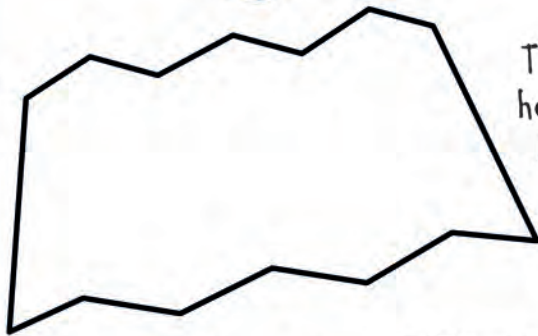

What should I pack?

I enjoy exploring and discovering new places. You need to make sure you're prepared for all sorts of adventures.

Draw or colour what you think Paddington might need on his adventures.

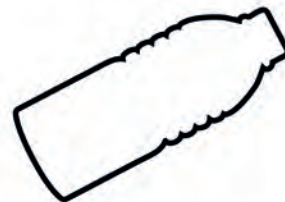

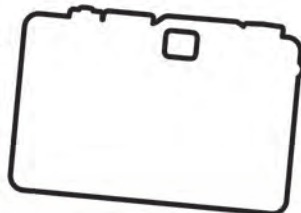

I like mine with marmalade in the middle

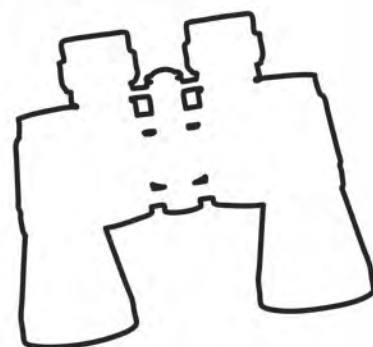

This will help me if I get lost

So I can take pictures to send to Aunt Lucy

Adventures can be thirsty work

London has lots of things to see

Where am I?

I am on a day out exploring London with the Browns. Can you find us?

Circle Paddington and the Browns when you find them, then have a go at answering the questions below!

How many post boxes did you find?

How many umbrellas did you find?
